Regarding Information Technology Services (ITS) LOC Number 38157 issued June 8, 2009, based on General RFP Number 3876, for the acquisition of 1,300 thin client terminals for the Mississippi Department of Human Services (MDHS), the customer's decision to purchase the proposed 2-year warranty extension resulted in a recalculation of the lifecycle cost. This recalculation changed the outcome of the award.

Please be advised that pending successful contract negotiations, the award will be made to Venture Technologies at a total not-to-exceed 5-year lifecycle cost of \$696,800.00.

ITS and MDHS thank you for your participation in the LOC process.
